...CONTINUED layer in the process of making a house a home.”

As for the bites? Try pastry chef Amber Felton’s specialties from flourless chocolate cake and vanilla raspberry cruffin to her hazelnut date twice-baked croissant and Everything but the Kitchen Sink brownies. If you want more savory than sweet, chef Jay Felton has you covered with a plethora of fresh salads, homemade soups and gourmet sandwiches. McCann explains, “A key saying at McCann Design Group, Hive Trade Showroom and Hive Home, Gift & Garden is that we create homes that are not only beautiful but function flawlessly.” She continues, “For the Bakery & Cafe to ‘function flawlessly,’ it also needed to be convenient and offer options that address our busy lifestyles.”

With three dining experiences rolling out, it’s safe to say the Hive Bakery & Cafe has convenience and quality covered. Dine indoors or outside under the outside adjoining gazebo with table service, order by QR code for a space in the outdoor garden or grab a variety of individually wrapped and ready items like salads, sandwiches and sweets to go. 1603 S.
